   b a protest which has not been allowed by a Technical Delegate.

19.2 An appeal may not be lodged for consideration by an Appeal Jury in respect of any decision of the Technical Delegate unless the decision appealed against is in respect of a suspension or other penalty imposed to have effect during the remainder of the competition. Where the decision appealed against is in respect only of a period of suspension or other penalty that may take effect after the conclusion of the tournament, a written notice of appeal must be given, within 3 days of the Technical Delegate’s Decision being published, to the FIH Chief Executive Officer or his designated representative, who will refer it to the FIH Disciplinary Commissioner.

19.3 A deposit of five hundred US Dollars ($500) must be paid if the appeal is against a decision by a Technical Delegate to suspend a player or team official; the deposit must accompany the written notice of appeal.

19.4 The written notice of appeal must contain a statement outlining the grounds of appeal and indicating whether the appeal is against:
   a a finding;
   b a penalty imposed;
   c both a finding and a penalty;
   d procedural irregularities of a Technical Delegate hearing.

19.5 The appeal is not by way of a re-hearing of the evidence. It is limited to a review of the decision of the Technical Delegate to ensure compliance with the Regulations, Code of Conduct Guidelines and principles of natural justice.
19.6 No fresh evidence shall be presented to the Appeal Jury without its approval. If approval is sought to present fresh evidence, particulars of such evidence and the reasons why it was not presented to the earlier decision-maker must also be included in the written notice of appeal.

19.7 The parties are entitled to make oral representations to the Appeal Jury at the hearing.

19.8 The Appeal Jury may conduct the hearing in such a manner and at such time and in such a way as it considers desirable and/or suitable. If any party fails to attend the hearing, the Appeal Jury may proceed in the absence of that or any other party.

19.9 The Appeal Jury must publish a decision in writing. A copy must be provided to the FIH Chief Executive and the Technical Delegate and it must be published through an Official Communication (C67) as soon as possible but not later than two hours before the start of the first match on the next day that matches are played in the relevant men's or women's competitions. If possible, the Chair of the Appeal Jury which heard the case should orally notify the decision to the Team Manager or official concerned immediately after making the decision.

19.10 The decision of the Appeal Jury is final and binding on all parties concerned subject to any right of appeal to the Judicial Commission as set out in the FIH Statutes.

19.11 The decision of the Appeal Jury shall be based on the balance of probabilities (more likely than not).

19.12 An Appeal Jury has the power:
   a  to allow or dismiss the appeal;
   b  to vary the decision of the Technical Delegate;
   c  to increase, decrease, remit or otherwise vary any penalty included in the decision of the Technical Delegate;
   d  to impose such other penalty or sanction as it deems fit;
   e  to recommend to the FIH Executive Board that the deposit be refunded or forfeited;
   f  to make an order for payment of costs.

19.13 If the Appeal Jury decides, whether or not it allows the appeal in whole or part, that any period of suspension or other penalty may or ought to include the imposition of a suspension that affects matches or otherwise should take effect beyond the conclusion of the tournament, the Appeal Jury must, within 3 days, give written notice of its decision to the FIH Chief Executive Officer, who will refer it to the FIH Disciplinary Commissioner to decide on any further period of suspension or other penalty to be imposed.

20  ANTI - DOPING

20.1 As a pre-condition of participation in the XXXI Olympiad, all players must have undertaken an anti-doping education program prior to the commencement of the FIH International Event (if not completed within the preceding 24 months). 20.2 The IOC Anti-Doping Rules applicable to the Games of the XXXI Olympiad in Rio de Janeiro apply.

20.3 All matches are subject to anti-doping tests as the IOC may direct.

20.4 Team Managers will be advised about anti-doping test procedures at the Medical pre-competition briefing meeting.

20.5 Any player may be the subject of an anti-doping test after a match even if that player has remained on the team bench throughout the match. A player may be the subject of more than one anti-doping test during the competition.

   e The 2 minutes temporary suspension starts when the player is seated in the designated area.

   f Timing of the suspension is controlled by a Technical Official on duty.

   g The offending player is permitted to resume play when the Technical Official on duty indicates that the period of suspension has been completed unless this occurs during the taking of a penalty corner in which case the player cannot return until the penalty corner has been completed or another penalty corner is awarded.

   h If the offending player is a goalkeeper or player with goalkeeping privileges, the Technical Official on duty notifies the Umpires when the period of suspension has been completed; the Umpires stop the time at the next stoppage of play to enable that player to resume play.
3 YELLOW CARD – TEMPORARY SUSPENSION

Rule 14.1.c: For any offence, the offending player may be temporarily suspended for a minimum of 5 minutes of playing time (indicated by a yellow card).

f The temporary suspension commences when the player is seated in the designated area.

g Timing of the suspension is controlled by a Technical Official on duty.

h The offending player is permitted to resume play when the Technical Official on duty indicates that the period of suspension has been completed unless this occurs during the taking of a penalty corner in which case the player cannot return until the penalty corner has been completed or another penalty corner is awarded.

i If the offending player is a goalkeeper or player with goalkeeping privileges, the Technical Official on duty notifies the Umpires when the period of suspension has been completed; the Umpires stop the time at the next stoppage of play to enable that player to resume play.

4 MATCH PERIODS

Rule 5.1: A match consists of two periods of 35 minutes and a half time interval of 5 minutes.

Regulation: A match consists of four periods of 15 minutes.

a At the end of the first and third period there shall be an interval of 2 minutes. During this interval, teams are not permitted to leave the field of play.

b At the end of the second period there shall be an interval of 10 minutes. During this interval Team officials and players may leave the technical facility area surrounding the field of play only with the prior permission of the Technical Officer on duty. Play is resumed by a centre pass which is taken by the team that did not take the centre pass for the first period.
c. Play for the second period is resumed by a centre pass taken by the team that started the first period. Play for the fourth period is resumed by a centre pass is taken by the team that started the third period.

d. The second, third and fourth periods of a match will begin exactly after the end of the intervals specified in Article a of this Appendix whether or not both teams are on the field of play ready to play.

e. The match is prolonged at the end of each period to allow the completion of a penalty corner or any subsequent penalty corner or penalty stroke.

f. When a penalty corner is awarded, time is stopped for 40 seconds, except in the case of re-awards or penalty corners awarded after a Video Umpire referral.

g. When an initial penalty corner is awarded, the timing of the match shall be stopped for 40 seconds, as specified in Article f above, (inter alia to permit defenders to put on protective gear etc) before allowing the penalty corner to commence. The engaged Umpire shall advise both the defence and the attackers as the shot clock approaches zero. After 40 seconds the Umpire will re-start play by blowing the whistle and the ball shall be injected immediately or very shortly thereafter.

h. In the event that a team is not ready the umpire is to identify to the player who is responsible for the delay and issue a personal penalty (i.e. a green card), with an increased personal penalty (i.e. a yellow card) for repeated offences. If this player is a defender, the defending team defends the particular Penalty Corner with one player fewer. For any breach of this regulation by a defending goalkeeper or player with goalkeeper privileges, the defending team defends the penalty corner with one fewer player: i.e the corner is defended by one fewer player than before this incident. The defending team nominates which defender will be subject to a personal penalty.

APPENDIX 2

TWO POOL COMPETITION PLAN AND RANKING

1 PLAN OF THE COMPETITION

1.1 There will be two pools, each comprising half of the number of the participating teams. Should the numbers be uneven, one of the pools will comprise one more team than the other.

1.2 The two pools will be composed as follows based on their FIH World Ranking as at 1 January 2016:

<table>
<thead>
<tr>
<th>Pool A</th>
<th>Pool B</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>4</td>
<td>3</td>
</tr>
<tr>
<td>5</td>
<td>6</td>
</tr>
<tr>
<td>8</td>
<td>7</td>
</tr>
<tr>
<td>9</td>
<td>10</td>
</tr>
<tr>
<td>12</td>
<td>11</td>
</tr>
</tbody>
</table>

2 RANKING IN THE POOLS

2.1 In each pool, all the teams will play against each other, and the following points will be awarded for each match:

- three points to the winner;
- one point to each team, in the event of a draw;
- no points to the loser.

2.2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.

a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.

b If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.

c If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of “goals for”.

d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.

e If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with paragraph 2.1 of this appendix. If there remains equality, then
the teams involved shall be ranked according to paragraphs 2.2.a, b, c, and d of this Appendix.

f Should there still remain equality among two teams, then the ranking will be determined by a shoot-out competition between those teams (for details see Appendix 3 of these Regulations).

g If more than two teams are involved, then each team will play a shoot-out competition against the other teams in the same sequence of play as the order of play in the competition, in accordance with Appendix 3 of these regulations but with one round of 5 shoot-outs only to be taken compulsorily by each team.

h A ranking will then be established based upon the results of the round of the shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.

i If equality remains then teams having an equal number of points shall be ranked according to paragraphs 2.2.a, b, c and d as applied to goals recorded during the shoot-out competition.

j If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Technical Delegate shall make a draw to take place to establish each sequence of play if such further rounds of shoot-outs are required.

3 CLASSIFICATION MATCHES

3.1 The quarter-finals will be as follows although the matches will not necessarily be played in this order:

1st Pool A v 4th Pool B Match 1
2nd Pool B v 3rd Pool A Match 2
2nd Pool A v 3rd Pool B Match 3
1st Pool B v 4th Pool A Match 4

The winners of these matches will play for 1st to 4th places.

3.2 The semi-finals will be as follows although the matches will not necessarily be played in this order:

Winner Match 1 v Winner Match 2
Winner Match 3 v Winner Match 4

The winners of these matches will play for 1st and 2nd places (gold and silver medals) and the losers will play for 3rd and 4th places (bronze medal).

3.3 The score at the end of the regulation time of any match will be registered by the FIH as the result of the match.

3.4 If at the end of the regulation time the result of a classification match is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 3 will be played to establish the winner of the match.
3.5 The teams that finish 5th in their respective pools will be ranked 9th and 10th; and the teams that finish 6th will be ranked 11th and 12th. The ranking will be determined as follows.

a. The teams will be ranked according to the number of points gained in pool matches.

b. If there remains equality, the teams will be ranked according to the number of matches won.

c. If there still remains equality, the teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.

d. If there still remains equality, the teams will be ranked according to their respective “goals for”.

e. Should there still remain equality, then the ranking will be shared equally.

3.6 The teams that lose the quarter-finals will be ranked 5th – 8th according to the position that they finish in their respective pools. Where two teams finish in the same position in their respective pools the ranking will be determined as follows.

a. The teams will be ranked according to the number of points gained in pool matches.

b. If there remains equality, the teams will be ranked according to the number of matches won.

c. If there still remains equality, the teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.

d. If there still remains equality, the teams will be ranked according to their respective “goals for”.

e. If there still remains equality, the teams will be ranked on their combined performance in pool and quarter-final matches based upon a, b, c and d above. If a team loses its quarter-finals in a shoot-out competition, it will be deemed to have been awarded 1 point as the score would be equal at the end of regulation time.

f. Should there still remain equality, then the ranking will be shared equally.
APPENDIX 3

SHOOT-OUT COMPETITION

In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result.

The following sets out both the playing Rules and the procedures to be followed.

1. The respective Team Managers provide five players to take and one player to defend the shoot-outs from those on the Match Report (C73A) except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions / replacements are permitted during the shoot-out competition other than as specified below.

2. The players taking and defending the shoot-outs will be entered on to the Shoot-Out form (C73B) by the technical officials on duty.

3. If the shoot-out competition takes place after the end a match, the above procedures must be carried out promptly so that the first shoot-out can take place within four (4) minutes of the end of the match.

4. A player who is still serving a disciplinary suspension by the Technical Delegate at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.

5. The goals to be used for shoot-out competitions will be advised at the Event Briefing meeting.

6. The Technical Delegate will advise at the pre-competition Event Briefing meeting the method of timing shoot-outs.

7. A coin is tossed; the team which wins the toss has the choice to take or defend the first shoot-out.

8. All persons listed on the Match Report (C73A) other than any player who has been excluded permanently (red card) during the match which leads to the shoot-out competition are permitted to enter the field of play outside the 23m area used for the shoot-out but must be at least 10 metres from the spot where the ball is placed at the start of the shoot-out.

9. The goalkeeper / defending player of the team taking a shoot-out shall wait on the back-line outside the circle.

10. A player taking or defending a shoot-out may enter the 23m area for that purpose.

11. Players taking a shoot-out and also defending the shoot-outs taken by opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.
12 Five players from each team take a shoot-out alternately against the goalkeeper / defending player of the other team making a total of 10 shoot-outs.

13 Taking a shoot-out:
   a the goalkeeper/defending player starts on or behind the goal-line between the goal posts;
   b the ball is placed on the nearest 23m line opposite the centre of the goal;
   c an attacker stands outside the 23m area near the ball;
   d the Umpire starts the shoot-out by blowing the whistle;
   e an official at the technical table starts the clock;
   f the attacker and the goalkeeper / defending player may then move in any direction;
   g if either the attacker or goalkeeper / defending player start the process of the shoot-out before the umpire has blown the whistle, the shoot-out is reset;
   h the shoot-out is completed when:
      i 8 seconds has elapsed since the starting signal;
      ii a goal is scored;
      iii the attacker commits an offence;
      iv the goalkeeper / defending player commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper/defending player;
      v the goalkeeper / defending player commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded and taken;
      vi the ball goes out of play over the back-line or side-line; this includes the goalkeeper / defending player intentionally playing the ball over the back-line.

14 If a penalty stroke is awarded as specified above, it can be taken and defended by any eligible player on the Match Report (C73A) subject to the provisions of Articles 17, 18 and 19 of this Appendix.

15 The team scoring the most goals (or ahead by more goals than the other team has untaken shoot-outs available) is the winner.

16 A player may be suspended by a yellow or red card but not by a green card during the shoot-out competition.

17 If during a shoot-out competition (including during any penalty stroke which is awarded) a player (either an attacker or a goalkeeper / defending player) is suspended by a yellow or red card:
   a that player takes no further part in that shoot-out competition and, unless a goalkeeper / defending player, cannot be replaced;
   b the replacement for a suspended goalkeeper / defending player can only come from the five players of that team nominated to take part in the shoot-out competition:
i the replacement goalkeeper / defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper / defending player they are replacing was wearing;

ii for taking their own shoot-out (or a penalty stroke), this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.

c any shoot-out due to be taken by a suspended player is forfeited; any goals scored by this player before being suspended count as a goal.

18 If during a shoot-out competition, a defending goalkeeper / defending player is incapacitated:

a that goalkeeper / defending player may be replaced by another player from among the players listed on the Match Report (C73A) for that particular match, except as excluded in this Appendix or unless suspended by an Umpire during the shoot-out competition;

b the replacement goalkeeper / defending player:

i is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper/defending player was wearing;

ii if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.

19 If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report (C73A) for that particular match, except as excluded above or unless suspended by an Umpire during the shoot-out competition.

20 If an equal number of goals are scored after each team has taken five shoot-outs:

a a second series of five shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;

b the sequence in which the attackers take the shoot-outs need not be the same as in the first series;

c the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;

d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all five shoot-outs, that team is the winner.

21 If an equal number of goals are scored after a second series of five shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions specified in this Appendix:

a the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;

b all eligible players from each team must take a shoot-out before any one of them can take another; any shoot-out due to be taken by a suspended player is forfeited;

c the team which starts each shoot-out series alternates for each series.
22 Unless varied by this Appendix or Appendix 1, the Rules of Hockey apply during a shoot-out.

23 At the end of the shoot-out competition, Team Managers sign the Shoot-out Competition form (C73B) to confirm the result of the shoot-out competition.

i Breach of the FIH’s Uniform Advertising Policy or FIH Team Dress Protocol

**Note:** One of the core objectives of the FIH Uniform Advertising Policy and FIH Team Dress Protocol is to ensure appropriate and professional standards of appearance on the field of play and during opening and closing ceremonies at International Events and to prevent any practices that undermine that objective.

j Breach of the FIH Media Policy

**Note:** One of the core objectives of the FIH Media Policy is to ensure compliance with all contractual obligations imposed upon FIH by its media partner(s). This includes failure by a Participant to participate in a press conference when requested to do so by FIH.

k Public criticism of, or inappropriate public comment in relation to an incident occurring in an International Match or any Participant or team participating in any International Match or FIH, generally, irrespective of when such criticism or inappropriate comment is made.

l Where the facts of the alleged incident are not adequately or clearly covered by any of the above offences, conduct that either is contrary to the spirit of the game or brings the game into disrepute.

2.3 Specific Offences – Level Two

The penalty for a Level 2 offence shall be a suspension of the individual for a minimum of two matches.
a Using language or gesture(s) that is seriously obscene, seriously offensive or have a seriously insulting nature to another Participant or any other third person.

b Serious public criticism of, or inappropriate public comment in relation to an incident occurring in an International Match or any Participant or team participating in any International Match or FIH, generally, irrespective of when such criticism or inappropriate comment is made.

c Any attempt to manipulate any Match International Event for inappropriate strategic or tactical reasons.

Note: This is intended to prevent the manipulation of Matches for inappropriate strategic or tactical reasons (such as when a team deliberately loses a pool Match in an International Event in order to affect the standings of other teams in that event). It is not intended to cover any corrupt or fraudulent acts (including any use of inside information and/or related betting activity). Such conduct is prohibited under the FIH Anti-Corruption Regulations and the Olympic Movement Code on the Prevention of the Manipulation of Competitions and must be dealt with according to the procedures set out therein.

d Intimidation of an Umpire or other third person whether by language or conduct (including gestures) during an International Match.

Note: Includes appealing in an aggressive or threatening manner.

e Threat of assault or physical assault (without injury) on a Participant or any other third person.

Note: This offence is not intended to cover threats of assault, which are prohibited under Article 2.4.

f Where the facts of the alleged incident are not adequately or clearly covered by any of the above offences, conduct that is either contrary to the spirit of the game or brings the game into disrepute

Note: Article 2.3 f is intended to be a ‘catch-all’ provision to cover any type of conduct of a serious nature that is not, and because of its nature cannot be, adequately covered by the specific offences set out elsewhere in the Code of Conduct

2.4 Specific Offences – Level Three

The penalty for a Level 3 offence shall be a suspension of the individual for a minimum of five matches.

a Threat of assault or physical assault (without injury) on an Umpire or technical official

c Any act of violence on or off the field of play during an International Event.

d Where the facts of the alleged incident are not adequately or clearly covered by any of the above offences, conduct that is either contrary to the spirit of the game, or brings the game into disrepute

    **Note:** Article 2.4 f is intended to be a ‘catch-all’ provision to cover any type of conduct of a very serious nature that is not, and because of its nature cannot be, adequately covered by the specific offences set out elsewhere in the *Code of Conduct*.

APPENDIX 5

FIH CODE OF CONDUCT – GUIDELINES TO TDs ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Technical Delegate.

The Technical Delegate is to determine the level of the offence.

A report can be received by the Technical Delegate from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must exercise a discretion to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

Principles of natural justice apply in the following way.

The Technical Delegate will advise the Team Manager of
- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The Technical Delegate must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Technical Delegate must outline the evidence relied on to support the report including showing any video footage.

The team member is to be asked for his / her response to the report, ie do they accept the offence charged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.
Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Technical Delegate (through an interpreter if necessary). It should deal (at least) with the following matters:

a. whether or not the team member accepts the breach of the Code of Conduct;
b. if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the TD, a greater penalty. If a greater penalty is being considered then:

a. the disciplinary history of the team member;
b. the attitude of the team member at the hearing;
c. any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;
d. the seriousness of the offence by comparison with other offences at this level

will be taken into account by the TD in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

a. the number of matches for which the team member is suspended;
b. the date of commencement of the suspension;
c. a statement whether, in the view of the Technical Delegate, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so

d. a statement that the decision to impose any further suspension or penalty is referred to the FIH Chief Executive Officer for further consideration by the FIH Disciplinary Commissioner; and
e. a summary of the Technical Delegate’s reasons that may justify the imposition of an additional suspension or other penalty.
APPENDIX 6

IOC LATE ATHLETE REPLACEMENT POLICY FOR RIO 2016 OLYMPIC GAMES

This policy will apply to Athletes of National Olympic Committees attending the Games of the XXXI Olympiad in Rio de Janeiro 2016 (the ‘Rio 2016 Games’).

The deadline for the Final Entries list of participating Athletes in the Rio 2016 Games (sport entries deadline) is 23:59 Rio de Janeiro time (GMT-3) 18 July 2016.

After the sport entries deadline, the Late Athlete Replacement policy comes into force, and will be strictly enforced. Late Athlete Replacement may only occur up to the relevant sport / discipline / event Technical Meeting, unless otherwise stated in the sport specific appendix (Appendix 1 below).

This policy is only applicable for those sports/disciplines where the quota place has been allocated to the NOC.

For those sports / disciplines in which the quota place is allocated by name to an Athlete a specific slot reallocation deadline has been included in the Qualification Systems per discipline.

From 19 July 2016 00:01 Rio de Janeiro time (GMT-3) the Rio 2016 Organising Committee for the Olympic Games (Rio 2016) may authorise a permanent replacement of an Athlete by another Athlete in the same sport, discipline and event. Each decision will be made after consultation with the relevant International Federation (IF), and its respective Medical expert and, when deemed appropriate, the International Olympic Committee (IOC). Such replacement will only occur where there are urgent medical conditions preventing participation of an Athlete, or otherwise on a case-by-case basis for exceptional circumstances.

Late Athlete Replacement is possible only provided that:

- The replacement Athlete meets the eligibility conditions and qualification criteria to take part in the Rio 2016 Olympic Games, as stipulated in the “Qualification Systems – Games of the XXXI Olympiad – Rio de Janeiro 2016“ per sport / disciplines published in 2014, and regularly updated by the IOC;
- The NOC of the replacement Athlete had applied successfully for accreditation for the Athlete prior to 29 April 2016 (accreditation application deadline). As such, the replacement Athlete has been registered by Rio 2016 in the “NOC’s Athlete Accreditation Long List”; and
- No doping control issues are pending concerning the replacement Athlete

In addition, the following procedure must be followed and the required forms submitted within the timeframe stated in this policy:

- The “Late Athlete Replacement Form” must be completed by the relevant NOC, for the Athlete being replaced and the replacement Athlete; and
- The “Sport Entry Form” must be completed and submitted by the relevant NOC, for the replacement Athlete; and
- The “Eligibility Conditions Form (ECF)” including the “Parental / Legal Guardian Acknowledgement for Minors” form must be completed and submitted by the relevant NOC for the replacement Athlete. The NOC must submit a scanned copy of the ECF electronically and bring the original, signed and stamped to Rio 2016 ACR Offices.
• The accreditation card of the replaced Athlete must be returned to an Accreditation Centre, in order to allow for entitlements to be transferred to the replacement Athlete. Following the transfer, the replaced Athlete's accreditation will be deactivated unless the replacement was by a P athlete, in which case entitlements may be swapped upon the decision of the NOC.

Applications with missing information will not be processed.

**P ALTERNATE ATHLETES**

Before the sport specific deadlines set in Appendix 1 below, the NOCs have the possibility to activate their P alternate athletes or to use a replacement from the long list.

During the competition, as per the “Accreditation at the Olympic Games – Detailed specifications”, the NOCs can activate P alternate athletes in the following sports and disciplines: Athletics, Cycling BMX, Cycling Track, Equestrian, Fencing, Handball, Football, Hockey, Rowing, and Table Tennis.

In case a P alternate Athlete should be in need of a Late Athlete Replacement, NOCs will be allowed to replace the Athlete with another P, before the start of competition, by applying the above LAR process.

All documentation and queries regarding this matter should be addressed to Rio 2016 Sports Entries.

NOCs may submit a Late Athlete Replacement Form with all relevant documentation by e-mail or in person to: Rio 2016 - Sport Entries Office at the Welcome Centre in the Olympic Village

Tel: +5521-20165287
Hotline: +5521-20166656
E-mail: olympicsportsentries@rio2016.com

This policy is subject to further change by the IOC for exceptional circumstances.

*IOC Sports department as of 19 August 2015*

**APPENDIX 1**

Late Athlete Replacement (P Athletes), 2 (two) in number, will be allowed until the Event Briefing Meeting prior to the start of the Hockey competition, scheduled to take place on Friday 5 August 2016.

As an exception NOCs will be able to replace one **goalkeeper** with an eligible athlete (goalkeeper) from the accreditation long list up until the start of the final day of the Hockey competitions for the women’s and men’s Competitions respectively.

Late Replacements using P athletes may occur before a match until the finals.
APPENDIX 7

UNIFORM AND EQUIPMENT ADVERTISING – IOC CHARTER, RULE 50

The IOC Guidelines Regarding Authorised Identifications apply to this competition.

The following are extracts from the Guidelines but it must be noted that the Guidelines apply in full.

INTRODUCTION

The prohibition of any advertising and publicity in and above Olympic sites (as expressed in the Olympic Charter) is one of the aspects that differentiate the Olympic Games from other international events.

This is reflected in particular in Bye-Law to Rule 50 1 of the Olympic Charter as follows:

No form of publicity or propaganda, commercial or otherwise, may appear on persons, on sportswear, accessories or, more generally, on any article of clothing or equipment whatsoever worn or used by the athletes or other participants in the Olympic Games, except the identification of the manufacturer of the article or equipment concerned, provided that such identification shall not be marked conspicuously for advertising purposes.

Placing the national and Olympic identity of athletes at the forefront helps to further distinguish the Olympic Games, whilst respecting the significant contribution that sporting goods manufacturers provide.

The International Olympic Committee (IOC) is therefore pleased to present the Guidelines regarding Authorised Identifications for the Games of the XXXI Olympiad in Rio.

These Guidelines provide guidance on how Olympic Charter Rule 50 is to be implemented, in particular (i) as to when an identification is “marked conspicuously for advertising purposes” (and hence prohibited), (ii) which types of identifications are allowed, (iii) where such identifications may be placed and (iv) how many times such identifications may appear. These rules apply to all of the athletes, officials and other accredited persons within the Olympic Games venues and sites.

These Guidelines are not intended to restrict or otherwise impair new, innovative technological design features of Items (as defined below) as long as these are in conformity with the rules and regulations applicable for the sports concerned, the Olympic Charter and these Guidelines.

Notwithstanding the above, these Guidelines are to be used subject to the understanding that:

(i) in case of contradictions between these Guidelines and Rule 50 of the Olympic Charter, the latter shall prevail;

(ii) the IOC Executive Board shall be the sole authority to finally determine whether the use of a name, designation, trademark, logo or any other distinctive sign complies with the Olympic Charter and these Guidelines; and

(iii) the IOC reserves the right to further interpret and/or supplement these Guidelines in order to help ensure that the spirit and purposes of Rule 50 are respected.

GENERAL PRINCIPLES

An Authorised Identification may only be used in compliance with the terms of the Olympic Charter, the present Guidelines or as further approved in writing by the IOC.
The IOC reserves the right to prohibit the use of any **Authorised Identification** on any given **Item** in order to ensure the spirit of the principles of the Olympic Charter and these Guidelines are respected.

Unless specifically mentioned otherwise hereinafter (in particular in the **Sport Specific Implementation** section) or unless otherwise indicated in writing by the IOC, the following general principles shall apply:

- No use of any **Identification of the Manufacturer** may be made in a conspicuous way and no **Item** may be used for advertising purposes. An **Item** is in particular considered to be used for advertising purposes when the identification on such **Item** is not in relation to sport or is only featured or used for the purpose of conspicuous exposure during the **Olympic Games**.

- No identification other than an **Authorised Identification** may appear on any **Item**.

- Only one **Identification of the Manufacturer** per **Item** shall be permitted.

- Where the **Identification of the Manufacturer** is not a **Sports Brand**, such identification shall not be permitted, except for **Clothing**, for which the **Identification of the Manufacturer** may be that of a **Clothing Brand**.

- Participants must refrain from contributing to or participating in any conspicuous advertising within Olympic venues and sites, and in particular on the field of play.

APPENDIX 8
CONTINGENCY PLAN CONCERNING COMPETITION SCHEDULE

1 BACKGROUND

This Appendix intends to guide decision making and identify potential thresholds in the event of a delay, postponement or cancellation, rather than provide solutions to all possible eventualities. It will enable the FIH, Rio 2016 and the IOC to assess the potential course of action to be taken if any of the broad scenarios introduced below occur.

1.1 DELAY - Delay reported but managed within existing session, with no need to postpone the next session. Will try to finish as near as possible to scheduled session end time with no knock-on effects to rest of day’s competition.

1.2 INTERRUPTION - A competition may be subject to an unplanned interruption after it has started. Depending on the sport, competition will be restarted or resumed. The time of restart / resumption is unknown. If the competition cannot be completed within the current ticketing session, the status will be changed to postponed, rescheduled or cancelled.

1.3 POSTPONEMENT - A competition did not start as scheduled and has been postponed to a later ticketing session. The new date and start time is unknown. The status will subsequently be changed to rescheduled or cancelled. If an interrupted competition cannot be resumed within the current ticketing session and the new date and start are unknown the status will be changed to postponed. The status will subsequently be changed to rescheduled or cancelled.

1.4 ANTICIPATION - Anticipation refers to a session having to be brought forward in anticipation of factors that may affect the competition to ensure that a competition can be finished. The procedures for a postponement will be applied when it is proposed to move an event(s) forward in the schedule to an earlier session or to change a session to an earlier start time.

1.5 CANCELLATION - A competition that cannot be rescheduled prior to the Closing Ceremony of the Olympic Games.

The Competition Schedule Change Committee (CSCC) is the body responsible for overseeing and approving changes to the competition schedule during the Olympic Games. Following agreement with the FIH, Rio 2016 will make recommendations to the CSCC should any changes be required.

2 EXAMPLES OF DELAY / POSTPONEMENT CAUSES

Circumstances whereby a delay, postponement or cancellation might be implemented can be summarised in four groupings:

2.1 SPORT RELATED - When the technical components of the sport do not meet the IF requirements, and consequently do not provide a platform for fair and equitable competition. (e.g. the netting on a goal needs to be replaced after warm-up causing a 15-minute delay in the start of the competition, timing system fails, etc.).

2.2 VENUE RELATED - When any essential component of the competition venue impacting the sport (outside the field of play) cannot start or continue to perform its designated function at an appropriate and/or safe level (e.g. the overhead lighting system fails and will need to be repaired before the competition can continue, scoreboard fails, etc.).
2.3 **WEATHER / SAFETY CONDITIONS** - When an existing or anticipated concern jeopardises the fair and safe conduct of the event or poses a threat to the health and/or safety of athletes, spectators and/or workforce (e.g. extreme meteorological conditions, natural disaster, structural failure, etc.).

2.4 **EXTERNAL FACTORS** - When information from external sources may jeopardise the safe running of the event. (e.g. Security concerns, etc.).

### 3 INTERRUPTIONS TO A MATCH

3.1 If a match has to be interrupted or suspended by either the umpire or the technical table officials, every effort will be made to resume this match as soon as possible (not necessarily on the same field of play or on the same day) following the rescheduling management principles below.

3.2 The match must be completed up to the regulation full time or the completion of extra time as the case may be, the score on the resumption being that at the time the interruption took place. On resumption, Regulation 9 relating to the substitution of players shall apply as though there had been no interruption to the match.
APPENDIX 9
VIDEO UMPIRE

1 POWER TO REFER DECISIONS TO THE VIDEO UMPIRE

1.1 The Match Umpires are the only persons who can refer decisions to the Video Umpire either directly or after a request from a team;

1.2 Referrals cannot be made as a result of protests, queries or pressure from players, Team Managers or Coaches on any decision. Teams (and their captains) will be held responsible for any violation or abuse of the Video Umpire protocols;

1.3 No one other than the Match Umpires, can stop the match to request a referral; eg the Video Umpire or Technical Officials at the Technical Table cannot stop a match.

2 UMPIRE REFERRAL

2.1 The Match Umpires may refer decisions to the Video Umpire when they are not convinced that they have taken, or are able to take, the correct decision relating to the awarding or disallowing of goals.

2.2 Referrals shall only relate to whether or not a goal has been legally scored.

2.3 The match Umpires are therefore entitled to request the Video Umpire to assist in making decisions which include, but are not restricted to:
   a whether the ball crossed the goal line (within the area bounded by the goal posts and crossbar);
   b whether the ball was legally played or touched inside the circle by the stick of an attacker and did not travel outside the circle before passing completely over the goal-line and under the cross-bar;
   c whether the ball travelled outside the circle before it entered the goal either from a shot by an attacker during the taking of a penalty corner;
   d whether a breach of the Rules has been observed within the attacking 23 metre area in the play leading to the awarding or disallowing of a goal. It is then for the Match Umpire to take any breach into account in reaching their decision.

2.4 The Match Umpire requests Video Umpire assistance using the “television-screen” signal; he / she relays by radio to the Video Umpire whatever information is necessary.

3 UMPIRE REFERRAL PROCESS

3.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.

3.2 Within the shortest time frame possible, the Video Umpire provides his / her advice and recommendation:
- ‘Goal’
- ‘No Goal’
- ‘No Advice Possible’
- plus advice on any observed breach of the Rules.

3.3 If a breach of the Rules is observed and advised to the match Umpire, it is then for the Match Umpire to take into account the breach in reaching his / her final decision.

3.4 In the case of ‘No Advice Possible’ (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment) the original decision of the Match Umpire stands. If there was no decision given before the referral, then the final decision is ‘No Goal’.

3.5 An umpire referral that has been already been adjudicated upon may not be the subject of a subsequent team referral.

4 TEAM REFERRAL

4.1 Each team is allowed one team referral request (which must be made through the Match Umpires) during regulation time in any match subject to articles 5.4a and 5.4b below of this Regulation and one team referral request during a shoot-out competition, subject to articles 5.4a and 5.4b below:

a team referrals will be restricted to decisions within the 23 metre areas relating to the award (or non-award) of goals, penalty strokes and penalty corners and, during a shoot-out competition, whether a shoot-out should be re-taken. The award of personal penalty cards may not be the subject of a team referral;

b any team player, on the field of play at the time of the incident, can request a team referral;

c this player must indicate to a Match Umpire that he / she wishes to use their team referral. He / she must do so immediately after the incident or decision which is to be referred by using the ‘T’ signal as well as confirming this verbally to the Umpire;

d the Match Umpires will not disallow any request for a team referral provided the ‘T’ signal has been used by a player and seen by the umpire;

e the player requesting the team referral must inform a Match Umpire of the exact nature of the decision (or non-decision) that their team wishes to be reviewed within a maximum of 20 seconds;

f if no question is received within 20 seconds the team referral will automatically default to a review of the last decision or non-decision relating to the award (or non-award) of a goal, penalty stroke, penalty corner or re-take of a shoot-out;

g the Match Umpire then requests Video Umpire assistance using the “television-screen” signal, followed by a ‘T’ signal to denote a team referral; he / she relays by radio to the Video Umpire whatever information is necessary.
5  TEAM REFERRAL PROCESS

5.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.

5.2 Within the shortest time frame possible, the Video Umpire provides his / her advice and recommendation:
   - ‘Goal’
   - ‘No Goal’
   - ‘Penalty Stroke’
   - ‘No Penalty Stroke’
   - ‘Penalty Corner’
   - ‘No Penalty Corner’
   - ‘Shoot-out to be re-taken’
   - ‘No shoot-out re-take’
   - ‘No Advice Possible’
   - plus advice on any observed breach of the Rules.

5.3 If a breach of the Rules is observed and advised to the Match Umpire, it is then for the Match Umpire to take into account the breach in reaching his / her final decision.

5.4 Implications for the retention or loss of team referral rights:
   a in the event that the referral is upheld the referring team retains its right of referral;
   b in the event of ‘No Advice Possible’ (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment), the referring team retains its right of referral;
   c if there is no clear reason to change the Match Umpire’s original decision, the referring team loses its right of referral.

5.5 A team referral that has been already been adjudicated upon may not be the subject of a subsequent referral by the opposing team.

6  FOR UMPIRE AND TEAM REFERRALS

6.1 The final decision, including any matter of interpretation, remains with the Match Umpire and not the Video Umpire.

6.2 All other decisions remain with the Match Umpires.

6.3 Substitutions may not take place during the stoppage of play for a video referral; substitution may take place on the resumption of play subject to the Rules of Hockey.
APPENDIX 10
FIH MEDIA POLICY

1 PURPOSE, SCOPE AND APPLICATION

1.1 The International Hockey Federation (FIH) is recognised by the International Olympic Committee as the sole ultimate governing body for the sport of Hockey throughout the world. FIH’s purpose is to raise the global status and popularity of hockey. The Media Policy (the Policy) is adopted and implemented as part of the FIH’s strategy to unite the hockey community to reach its ambition - a global game that inspires the next generation.

1.2 The Policy aims to assist in the management of the relationship between the accredited media covering International Events and Participants. Crucially, this Policy also assists in maximizing and enhancing the media coverage of International Events to help achieve FIH’s purpose.

1.3 Unless otherwise indicated, words in italicised text in the Policy are defined terms and their definitions are set out in Article 5 of this policy.

1.4 All Participants are automatically bound by and required to comply with all of the provisions of the Policy. Accordingly, by their participation in a Match or an International Event, such Participants shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the Policy and acknowledge non-compliance with the Policy may result in disciplinary action being taken against them.

1.5 While this Policy sets out general guidelines and minimum requirements FIH reserves the right to apply flexibility whenever needed, for the benefit of all parties, and to modify them following consultation with the Participants.

1.6 The Policy incorporates the Social Media Guidelines set out in Article 3 of this policy.

1.7 The National Association of each participating team is responsible for informing and educating Participants about the Policy and ensuring that each Participant’s media (and social media) activity prior to, during and after the International Event is in accordance with the Policy and does not bring the name of the FIH and sport of Hockey into disrepute.

1.8 Each Participant acknowledges the importance of communicating and cooperating with the media in order to enhance the image of International Events. The Policy applies to all Participants for the duration of the International Event (from the start of the Outward Journey until the conclusion of the Homeward Journey).

1.9 The Code of Conduct will come into full force and effect at FIH level on 1 May 2016 (the Effective Date) and will supersede the previous Policy as from that date. It may be amended from time to time by the FIH.

2 MEDIA ACTIVITIES

2.1 Participants, and in particular, Captains shall participate in media conferences / briefings.
2.2 Participants shall participate in media activities. Media activities may vary from each International Event, but shall include training sessions, school visits, personal appearances, photo opportunities and media conferences / briefings. Still and moving images from these media activities may be used for promotional and broadcast production.

2.3 Participants shall take part in promotional video shoots or other similar activity as may be reasonably required by FIH. These may be scheduled on non-match days.

2.4 Participants shall participate in TV and / or radio interviews pre and post Matches, throughout the International Event, for promotional activity and international broadcast.

2.5 The capturing of team “huddles” may take place before the start of any period of a Match.

2.6 Each changing room may have a small remote-controlled camera installed which will be used according to the following protocol:
   a. the location of the cameras will be indicated to Team Managers
   b. a red cue light will indicate when the camera is live to air
   c. shots will be wide angled to encompass the team rather than focused on individuals
   d. these cameras will provide vision only; there will be no audio
   e. the maximum usage is specified below, however not all shots will be used for each Match.
   f. use of the shots will be determined by the Host Broadcaster for each Match
   g. shots from changing room cameras may only be used at the following times:
      i. a single shot may be transmitted from each changing room on a delayed basis as part of a pre-recorded sequence showing the team arriving at the venue, exiting the bus, moving into the tunnel area and entering the changing room. It will be a wide shot of the team entering the changing room moving to and placing their gear in their respective positions
      ii. a single shot from each changing room of a maximum of 20 seconds may be transmitted live between 8 and 10 minutes before the start of a Match. These shots should show the final team huddle / interaction prior to leaving the changing room
      iii. during half-time a single shot from each changing room for a maximum of 20 seconds may be transmitted live at a specified time
      iv. subject to prior agreement with each individual team, a maximum of 2 shots post Match from each changing room may be recorded and broadcast on a delayed basis. These will be a maximum of 20 seconds duration each. Agreement on the use of these shots can be reached based on results (eg it may be agreed that these shots are not used if a team loses a Match)

2.7 Participants may receive requests for half-time interviews, however these are subject to agreement by the respective Team Management and FIH.

2.8 A compulsory post-Match Mixed Zone or equivalent will be in operation following all Matches. It will be managed by FIH and is designed for brief commentary on the Match, not detailed interviews. The Mixed Zone, or its equivalent, is a managed area where the accredited media have the opportunity to interview players and coaching staff as they leave the Match Venue.
Players and coaching staff are separated from the media by means of suitable barriers. The Mixed Zone opens following the end of the Match. The host broadcaster will have priority in terms of access to players and coaches in the Mixed Zone. This is followed by TV and radio rights holders, then broadcast non-rights holders and finally the written press. All players and coaches should leave the Match Venue through the Mixed Zone, unless otherwise agreed by the FIH Event Director.

2.9 Participants will be required to give compulsory flash interviews:

a. prior to the start of the second half / third quarter of a Match

b. within one (1) minute of the end of a Match / Shoot-out, unless it is deemed unreasonable to do so by the FIH Event Director

c. the captains of the two teams shall attend one world feed interview on the field or in close proximity of the changing room immediately after the end of the Match / Shoot-out and prior to returning to the changing room

d. each interview will be conducted in English by the Host Broadcaster’s reporter

e. FIH may put in place a process to select a Player of the Match for each Match; if this happens the Player of the Match will conduct a flash interview after the final whistle / Shoot-out and prior to returning to the changing room

2.10 Participants shall participate in a Highlights Show, by providing an interview and / or commentary, which will broadcast after the conclusion of the world feed.

2.11 Participants shall participate in guest slots during live broadcast

2.12 Participants shall participate in a “Master Class” slot during broadcast. This will provide an opportunity to analyse performances individually and as a team and will take place on non-match days.

2.13 FIH or the broadcasters will provide a set of headphones to the team benches so that Participants’ reaction can be captured during a Match.

2.14 Umpires may be required to wear for broadcasting purposes specifically designed cameras and microphones.

3. SOCIAL MEDIA ACTIVITIES

3.1 FIH recognises the importance of social media for Participants communicating with hockey fans. The FIH Social Media Guidelines, a copy of which can be found on the FIH web site at http://fih.ch/media/10040019/160318-fih-social-media-guidelines.pdf have been developed to reflect standards expected from Participants at International Events. These Social Media Guidelines apply equally to all Participants and will sit alongside each Participating National Association’s existing guidelines. Breaches of the Social Media Guidelines shall be treated in the same manner as any other breaches of this Policy and / or the Code of Conduct. Breaches of the Social Media Policy by FIH Representatives and staff shall be dealt with in accordance with the FIH Staff Procedures.
3.2 In addition to the Social Media Guidelines, any social media activity, including tweeting, is not permitted from the field of play, technical table and / or team bench during a Match.

4. **IMAGE AND DATA RIGHTS**

4.1 Participants consent to be filmed, televised, photographed, identified and / or otherwise recorded during International Events, and that their captured or recorded images, together with their name, likeness, voice, performance and biographical information, may be used in any content, format and through any media or technology whether now existing or created in the future, by the FIH and third parties authorised by the FIH during and after an International Event in perpetuity in relation to the promotion of the International Event, the sport of Hockey and the FIH, in a commercial or non-commercial manner.
