Notes

Where teams have the same total of WR points, ranking is determined by the highest placement at the most recent FIH or continental event

\*

Points for Great Britain shared by England, Scotland, Wales proportionally based upon the number of matches played by players from each nation in Great Britain team.

Points for the previous World League are reduced by 50% at the stage at which a team qualifies

From 2014 teams which win a Qualifying World League Tournament receive a bonus of 25 points

Kenya deducted 16 points for their late arrival at World League Round 2, February 2015

**IMPORTANT NOTE**

**NOTE:** The ranking points allocated to each country are to establish Continental Ranking ONLY. Separate points are then allocated to each country based upon the weightings fixed for each CF
